Review the guidelines to ensure rules are understood.

- Players will start shooting and track the number of shots they ATTEMPT. Shooting distance (i.e. 3 point shot or two point shot) is not a factor. **FORM SHOOTING REPS DO COUNT!** This is done on an honor system and if you cheat the rules, it will undoubtedly show in your shooting progress.
- The top players each week will be recognized on the Batesville Basketball social media sites for their progress and achievements. **A week will run from Monday to Sunday.**
- **Log your shots each time you shoot by visiting:** [batesvillebasketball.com](http://batesvillebasketball.com). Click on Shooting Club, then complete the informational fields; Click on your name. Enter the number of shots and the date. That's it, you're done!
- Status will be determined based on the total shots attempted from April 17, 2022 through October 30, 2022. Again, this is

an honor system and players are encouraged to accurately log their shots. **See back for incentives.**
